The early 1940 arrival was born to Mrs. Mazzocco on Tuesday at the Boston Lying-in Hospital. Both mother and son are doing well. Mr. and Mrs. Mazzocco have seven other children, all girls, several of whom, following their father's footsteps, have displayed rare musical talent. Congratulations to the proud father and mother.

## Local Minister Catches Hit-Run Driver After Latter Damages Auto

Rev. George A. Butters had the misfortune to have his car struck by a hit-and-run driver Monday night while visiting friends in Saxonville.

A neighbor who witnessed the collision secured the number of the speeding driver, and Mr. Butters and the Rev. Newton Clay of Leominster chased the car in Mr. Clay's automobile. They caught up with the car, which was from out of state and followed it until the driver put it into a service station for repairs for his damaged car. State police were called.

Mr. Butters' car was parked at the time it was hit, and no one was injured. The driver of the other car was fined \$50 for driving under the influence of liquor and given a two weeks' suspended sentence for leaving the scene of an accident without making himself known.

## BIG TOWNSEND MEETING AT TOWN HALL WEDNESDAY

Abnormally high taxes which will have to be paid within a few years under the Social Security Act, could be materially reduced if the Townsend program of old-age annuity payments were substituted in its stead, in the opinion of Robert Adams, well-known Los Angeles business man, who will speak here in the Robbins Memorial Town Hall next Wednesday at 8 p. m.

The meeting which will be attended by several hundred Townsend Club members from this part of the state, is open to anyone who wishes to attend, according to Arlington Townsend Club No. 1.

In his address Mr. Adams will stress the tax features of the Townsend Plan, but he will discuss as well the growth of the Townsend Movement within the past year and its non-partisan political program. Commenting upon the subject of his address, Mr. Adams said he would make a special point of his discussion the misconception that the Townsend Plan proposes \$200 a month.

"As soon as we can get the general public to realize that the Townsend Plan proposes payment of an annuity amounting only to a pro rata share of the total revenue collected under the two-percent transactions tax and not a flat \$200 a month," he said, "the majority of our people will swing in behind the Townsend Plan."

"Our proposal differs from the Social Security Act in that we propose a very light tax on all the people, rather than a heavy tax on the employers and employees in just certain branches of endeavor, and we propose that all the people shall be eligible for retirement annuities."

"We believe as well that pension must be higher if we are to retain the American standard of living." Adams is on a speaking tour which carries him into a number of cities in this state.

Mr. Adams is an expert engineer. At the regular meeting of Townsend Club No. 1, Tuesday evening the following officers were installed by Mrs. Edna Eaton of Middleboro: President, Mrs. Julia Heron; Vice President, Mr. Phelps; Secretary, Mrs. Prime; Treasurer, Mrs. Waiter. Membership, John Kelley. After the installation, Mrs. Eaton gave a very inspiring talk on the progress of the Plan. John Weir, State Representative, surprised the members by his presence and he also gave a short address.

Refreshments were served. The new council meets at Mrs. John Heron's home this evening.

The Board of Selectmen at its meeting Tuesday evening signed notes for \$400,000 borrowed by Town Treasurer Charles A. Hardy in anticipation of revenue. The money is being borrowed from the Second National Bank of Boston, the lowest bidder, at the exceptionally low rate of .07 per cent interest. The notes will become due November 8, 1940.

The money is being borrowed from the Second National Bank of Boston, the lowest bidder, at the exceptionally low rate of .07 per cent interest. The notes will become due November 8, 1940.

Dinner will be served at 6:45 p. m. "Following the dinner, Wathan B. Henderson, will preside over a brief business meeting during which Malcolm Griffin, chairman of the commercial committee, will present an interesting report.

Mr. Griffin's committee met Tuesday evening at the Charles F. McManus furniture store and discussed at length several problems on which reports will be made at next Tuesday evening's meeting. The subjects discussed included: Some method of welcoming newcomers to Arlington; sales promotion and advertising campaign and parking.

Walter T. Chamberlain, chairman of the coming meeting, will then introduce the guest speaker, Harold Charles Bond of Studley, Shupert & Company, of Boston, an economist of national repute who will speak on "The Financial Trend for 1940." Mr. Bond has been in great demand as a speaker on similar topics and his talk next Tuesday evening should prove interesting.

## AN OPPORTUNITY FOR ADULTS

Continuing a custom established a few years ago, the Arlington Woman's Club is again sponsoring a series of evening classes in adult education. These classes, beginning next Monday evening, will continue for a period of six weeks. Sessions will be held every Monday and Thursday evening at the senior high school.

Although these classes have been arranged by the Woman's Club, the school committee has cooperated to the utmost with the Woman's Club to make this worthy enterprise a success. Last but not least, by any means, a group of public spirited men and women has generously offered to give its time to serve as instructors, or to care for the administrative details. All are very well qualified, and those attending the evening classes are assured of worthwhile lectures.

If history repeats itself the Woman's Club program will be successful. In past years as many as 500 people registered for these classes. In announcing the program, the Woman's Club emphasizes that it has been prepared for the benefit of every interested adult resident in Arlington. There are absolutely no restrictions of any kind, the only expense involved being a very small fee for a registration card which entitles the bearer to attend any or all classes. We know that the public will welcome these classes.

## OFF TO A SUCCESSFUL START

With a most successful year just completed, the Arlington Boys' Club is on its way to what promises to be a banner year. Its program of activities is constantly being enlarged and as the Club's third year is launched, a new basketball league for grammar school boys is in full swing. Over two hundred boys have turned out for the league teams.

Director Deane W. Moores and the officers of the Arlington Boys' Club may well be proud of the record established during the year 1939. It has been a busy twelve months during which the club has attracted an ever increasing membership, has sponsored a largely attended sports night, dances for the younger boys and their friends, a swimming meet, a gala Halloween party, a most successful street fair, and most recently, a Christmas party which drew an attendance of 575 boys.

That the Arlington Boys' Club has filled a real need and is being appreciated by the boys of Arlington is evident by its record of the past year. We extend our best wishes for continued success.

## Parents of Rev. Mr. Butters Are Honored

## The NEWS OBSERVES

The Board of Selectmen at its meeting Tuesday evening made slight changes in the zoning regulations affecting Arlington's public ways. These are explained in full in today's NEWS. Better read them over.

Bishop Sherrill of the Episcopal church will be in Arlington next Sunday morning to confirm a class at St. John's Episcopal church, on Pleasant street. The confirmation services will start at 11 a. m. and arrangements are in charge of Rev. Charles Taber, Hall, rect.

We are grateful for the many calendars received by the NEWS from several local firms. Among the firms which have put out calendars are: The Arlington Five Cents Savings Bank, the David Brookbank Co., Stanley P. Miller, G. R. Rausch, Harold E. Hodge, the Arlington Storage Warehouse, Henry G. Wilton, Fairchild & Ellis and W. H. Ellis & Son Co. and Pelrice & Winn.

To Charles F. McManus, well known Arlington furniture dealer goes the honor of heading the largest family get-together in Arlington during the Christmas season. Twenty-nine people sat down to dinner on Christmas day at the home of Malcolm B. Griffin, 138 Appleton street. Mr. McManus' son-in-law, fourteen adults and fifteen children were present.

The Chamber of Commerce's street-light decorations came down on Tuesday and LeBaron's electricians, who had charge of installing and later removing the strings of colored lights found it a tough job since they experienced biting cold weather. Someone suggested that they might write to Washington and have Christmas changed around to the summer time when it would be more pleasant to climb poles and splice wires.

Arlington experienced its first real snow storm of the season early Saturday morning, and once again the Public Works Department was right on the job. Before daybreak, plows had cleared most of the streets. By Saturday evening, the business section was practically cleared of snow down to the bare ground. The Highway Department working under the direction of Eddie O'Brien has also done a very good job sanding icy areas since the New Year's Eve storm.

Speaking of New Year's, the Police Department had to contend with very little trouble over New Year's. Arlington's celebration was very tame, with only a handful of celebrators on the streets as the clock struck 12 and the New Year made its debut.

Congress reconvened on Wednesday at which time President Roosevelt personally delivered his message on the state of the Nation. In his speech, which was broadcast by radio to the country and translated in five languages for the world at large, the President made a plea for national unity and "a peace that will lighten the troubles of the world."

One of the most impressive bits heard over the radio during the Christmas season was Hugh James' closing message on the Sun Oil Company broadcast of Friday, December 22. Asked what Santa was going to bring him, Mr. James replied: "I hope, Lowell, he brings to me what we of the Sunoco family hope he brings to every American family! Peace . . . and health . . . and happiness! A continued right to worship God as we choose and to decide our own way of living. And to these hopes we add another—that this same spirit will maintain our freedom of speech, of education, and individual enterprise—those things which have given us more of the blessings of civilization than enjoyed in any part of the world."

## HEIGHTS IMPROVEMENT TO HAVE BUSY ANNUAL MEETING

### Impressive New Year Eve Services Held at Heights Baptist Church

Climaxing six hours of services on New Year's Eve the Arlington Heights Baptist church closed the Old Year with the traditional Watchnight Communion service which ended simultaneously with the ushering in of the New Year.

An overflow congregation witnessed the baptismal service conducted by the pastor, Rev. Walter E. Bridge, after which the congregation crowded into the vestry for an informal program of music and message under the direction of Miss Leona Thietten. Words of greetings and felicitations were given by Rev. R. M. Rushton, pastor of the First Baptist church, Winchester.

Before refreshments were served a happy surprise was in store for Mrs. Fannie (Grammie) Hadley who was celebrating her 81st birthday. In behalf of the church Rev. Mr. Bridge presented her with a beautiful flowering plant and a book. Those assisting on the refreshment included Mrs. L. R. Goodwin, chairman; Mrs. Gordon Kewer, Mrs. Alan MacIver, Mrs. John Munro, Mrs. James D. Tomson, Mrs. Charles McLeman and Mr. R. L. Maxham.

Preceding the administration of the Lord's Supper the following were received into the membership of the church after their baptism: Mrs. Roy Webster, Humbert and Richard Webster, Mr. and Mrs. John Wilson and Miss Mea Wilson. With Mrs. E. L. Reed, organist of the church at the console, the pastors was assisted by the seven deacons of the church in this impressive candlelight communion service.

### Registration Month At Trinity Baptist

This month is Registration Month at Trinity Baptist Church, and an interesting program has been announced. All members and friends are urged to attend and register their attendance at every service. In this way it is hoped that every member of the church will be present at some time during the month if it is impossible to be there at every service.

The first Sunday of the month is Communion Sunday and Dr. Baker, the pastor, will speak on the subject, "A Friendly Church." On the second Sunday, Trinity Baptist participates in the annual pulpit exchange of Arlington churches.

The third Sunday morning is given to Sunday School interests, when younger departments will meet at the hour of service, thus freeing parents to attend Morning Worship. A message on Church and Home will be given.

The last Sunday is Missionary Sunday, and the morning speaker is Rev. Ralph C. Osterberg of the Boston Baptist City Mission society.

The first three Sunday evenings are Young People's, Ladies' and Men's Nights. The last Sunday evening is further devoted to missionary interests, when an outstanding feature is planned.

### SCOUTS RECEIVE FLAG

Girl Scout Troop 21 was presented with a beautiful silk American flag by the Women's Relief Corps recently. Mrs. Joseph Fraser made the presentation at the Pelrice School. This was followed by a "Pageant of Flags," under the direction of Mrs. Harry O. Williams. A vested choir of Girl Scouts also sang.

words that which you, secretly, most love. In your hands will be placed the exact results of your thoughts; you will receive that which you earn; no more, no less. Whatever your present environment may be, you will fall remain, or rise with your thoughts, your wisdom, your ideal. You will become as small as your controlling desire; as great as your dominant aspiration.—James Allan.

## First Baptist Men's Class Social, Tuesday

The Men's Class of the First Baptist Church will meet Sunday at 12 o'clock noon, at which time a guest speaker will address the meeting. Men not attending church services at this hour, are cordially invited to attend.

President Karl M. Place and his committee are planning an interesting mid-winter season for the organization, which is one of the largest of its kind in the state. Special Sundays will be announced as well as socials. Dr. Grady D. Feagan, class teacher is preparing talks of vital interest.

The first social will be held next Tuesday evening in the banquet hall of the church. An illustrated lecture will be given by William D. Gooch of Winchester, on "Brazil." Mr. Gooch is a master in the art of photography and personally took the pictures that he will show. Most of the pictures were taken within the past year and are timely, showing industrial life as well as the scenic beauties of this country. All men are invited to attend. A buffet lunch will be served by Roger Jenks and his committee. There will be no charge or collection.

Much interest is being manifested in the service to be held in the church auditorium, Sunday evening, January 21 at 7:30 o'clock. This service is to give the people of Arlington an opportunity to enjoy this class program each Sunday noon, as well as to give the women of the church an opportunity to attend. The class orchestra of 20 pieces will be featured. Assistant pastor, Harry Krueger will give an organ recital. Dr. Feagan is to give a typical men's talk on "The Church of Tomorrow."

### Heights Children Thank Association For Skating Rink

The spirit of the New Year was exemplified by the children of Arlington Heights this week, and the board of directors of the Arlington Heights Improvement Association were greatly amazed and happy at receiving a new kind of a petition signed by over 85 boys and girls of the district.

It seems that the Association's board of directors took steps to provide skating on the Florence Avenue playground just before Christmas and with the wholehearted cooperation of the town officials and King Winter, a rink was provided.

Then the children conceived the idea of thanking those responsible for the skating area, formed a committee, made up of a petition of thanks had all those skating on the rink sign it, and then presented it to the board.

The moral of this story is: Who said children do not appreciate what is done for them?

—Marjorie Ochs, a student at The Fay School in Boston, has been enjoying the holiday season at her home on Swan place. She resumed her duties in the Secretarial Science Course on Tuesday.

### Legion Auxiliary Is Host to Children

Under the auspices of the American Legion Auxiliary to Post 39, a Christmas Party was held at 9 Court street for twenty children, all of whom were very grateful for the toys and games they received. Some of these children had never been to a party before.

The afternoon was spent playing games and prizes were won by some of the children who performed by singing, reciting and dancing.

A peanut hunt was held which caused much hilarity. Then the children each received a bag of hot pop-corn, several boxes of candy and ice cream and cake. Then each child was given two, three or more gifts and all went home with their arms loaded. Cakes for this party were donated by Mrs. Mae Donahue, president, Mr. Jennie Kurris, Mrs. Betty Oelsch, Mrs. Marion Edie and Mrs. Anna Buckley. Mrs. Marjorie Conway assisted in distributing the gifts to the children. This party was under the direction of Mrs. Anna Buckley, Child Welfare Chairman of the local unit.

—Mrs. Nelson B. Baker is a patient at the Deaconess Hospital where she has undergone a minor operation.

### Short Circuits in Tree Lights Start Two Fires In Arlington Residences

Firemen responded to alarms for two fires caused by defective Christmas tree light sets during the past week. Late Monday afternoon an alarm was sounded from Box 33 for a fire in the home of George E. Rogers at 33 Lakehill Avenue. A short circuit in a set of Christmas tree lights caused slight fire damage. On Friday evening a similar fire started in the second floor apartment at 260 Massachusetts Avenue. This fire in the apartment occupied by Mrs. Anna Muzza, was quickly put out by her 18 year old niece, Virginia Capelli before firemen arrived in response to an alarm from Box 243. Miss Capelli's quick thinking enabled two elderly occupants of the house to flee to safety and prevented surplus damage to the house.

Firemen responded to several other alarms during the week. Tuesday afternoon Engine 2 was sent to Highland Avenue where a defective heater caused a scare. The same company responded to an alarm for similar trouble at 1027 Massachusetts Avenue Sunday morning. Sunday afternoon Engine 1 extinguished a fire in an auto at 120 Milton street. A brush fire at 1177 Massachusetts Avenue, and one on Bradley road as well as a chimney fire at 27 Mary street were extinguished by firemen on Friday afternoon.

### Friends Of Drama Plan Bridge Party and Ball

The annual bridge party sponsored by the Arlington Friends of the Drama will be held at the homes of eight different members this year instead of at the clubhouse as was the former custom. The party will be held Friday evening, January 26, under the general chairmanship of Mr. and Mrs. Chester Glinder, at the following homes:

Mrs. James A. Bailey, 14 Wellington street; Mrs. David R. Kennedy, 800 Massachusetts Avenue; Mrs. Harold B. Wood, 21 Hutchinson road; Mrs. Gladys Collier, 18 Wellington street; Mrs. Philip H. Burt, 27 Brantwood road; Mrs. Richard W. Howe, 7 Addison street; Mrs. J. Stanley Coleman, 20 Norfolk road; Mrs. W. G. Porter, 7 Gould road.

Theatrical Ball  
Mr. and Mrs. Paul M. White, Jr., are co-chairman of the annual Theatrical Ball to be given in Robbins Memorial Town Hall on the eve of Washington's Birthday.

### Yuletide Party Enjoyed By First Parish School

A most successful and enjoyable church school Christmas party took place at the First Parish Church. A delightful program, a beautiful tree, Santa, and a delicious supper comprised the program.

The program of entertainment was presented by the Frances Aldrich Caldwell and Doris Hackett School of the Dance and Drama. They presented a playlet entitled, "Christmas Eve in Doll Land". The cast was as follows:

Audrey Hackett, Marilyn Croft, Ruth Foster, Joan McCarthy, Anna Dwyer, Audrey Hackett, Lee Curcy, Ruth Hewitt, Irene Moeche, Jean Caples, Larry Coughlan, Barbara Ann Howe, Carol Wilkins, Mary Elizabeth O'Neill, Judith Zartarian, Janet McNeill and Patty Ann Cox.

The Church School experienced a very beautiful service on Christmas Sunday. Special music by the vested Junior Choir under the direction of Mrs. Ruth Marble Fuller, an impressive program by the primary department children under the direction of Miss Lois Honnors, assisted by Miss Marjorie Travers, and Miss Jean Mark, and a beautiful tableau of the "Madonna of the Chair" posed by Miss Nancy Buttrick and Teddy Benishmol, were outstanding features of a very lovely service.

### Announce Engagement

Mr. and Mrs. Frank Boardway of 10 Edmund road announce the engagement of their daughter, Natalie Rose, to Robert Sessler, son of Mr. and Mrs. Walter Sessler of 52 Fountain road.

Miss Boardway attended the Arlington schools. Mr. Sessler was graduated from Arlington High, Phillips Exeter Academy and Massachusetts Institute of Technology. He is now employed as a technical engineer for Lever Bros. Co. No date has been set for the wedding.

### Course in Economics Opens January 10th At Robbins Library

A greater and greater number of thinking citizens are coming to a realization that something is wrong with living and business conditions and that something can be done about it.

For those interested in learning the fundamental causes of wars, unemployment, higher and higher taxes, etc., a rare opportunity is presented to attend a series of ten free classes of instruction open to the public, both men and women. These free classes are conducted by the Henry George School of Social Science, chartered by the University of the State of New York. The Henry George School is a non-profit, non-political and non-sectarian institution, the only aim of which is to educate the adult public in the fundamentals of practical economics and so provide the people with a proper foundation for logical reasoning concerning the problems which face all the people of the world of today.

The Boston Extension of the School has selected Arlington as one of the places for class meetings. Classes are open to attendance by anyone regardless of his place of residence.

Attend the opening night and determine for yourself whether the subject presented is of interest to you.

Classes will be held at the Robbins Public Library hall, 695 Massachusetts Ave., at 7.20 p. m., starting Wednesday, January 10. The course of study and inquiry includes one meeting a week for ten weeks. The series of classes in and around Boston which opened in October and finished in December had an enrollment of 226 people from all walks of life.

They included stenographers, bank clerks, lawyers, teachers, artists, writers, mechanics, students, housewives, osteopaths, dentists, physicians, engineers, nurses, photographers, carpenters, dressmakers, advertising agents, and salesmen.

During the past five years over 24,000 have enrolled for this course of study in the United States. The movement is growing by leaps and bounds. As one has said "Nothing can stop a right idea from being accepted."

Those attending these classes have the advantage of the arduous work done by the class leaders in analyzing and preparing for the presentation in an understanding way the underlying reasons for wars, poverty in the midst of plenty, why depressions recur, and why labor and capital are in conflict.

The question and answer method of teaching is employed. No one is told that "Such and such is so"—the class members are given an opportunity to discuss each question and prove for themselves whether or not the statements made are correct. There are no examinations. The general idea of the classes is to bring out the personal experiences of the different ones and relate them to sound principles of economics. No "isms" of any character are taught. The thesis presented is based on an ever expanding true freedom of democracy.

The school extends a cordial invitation to all readers of this paper to attend the first meeting in order to decide whether this course of 10 free classes is of interest and profit.

### New Officers of Local Stamp Club Take Office

The first meeting of the Arlington Stamp club for the year 1940 was held at the Park Circle fire house on Tuesday evening. The newly-elected officers took office after reports of the retiring board and committees had been read.

The new officers include Mrs. Karl M. Place, of 12 Hawthorne Ave., secretary; Albion W. Shaw, of 73 Webcorrd rd., treasurer; and George J. Kenney, of 22 Buena Vista rd., director. Mrs. Place is also a director. Alton T. Dodge of Malden is president.

### Injured Last Night

Mrs. Mary Kennison of 9 Wright street was taken to the Symmes hospital last evening where she was treated for injuries suffered when the car in which she was riding was struck by another auto at the corner of Massachusetts Avenue and Water street. Harry E. Kennison was operating the car. The other operator was Anthony Camarano, of 44 Arnold street, according to police.

METROPOLITAN THEATRE  
"Four Wives," widely heralded sequel to "Four Daughters," the sensational film success of last year, is at the Metropolitan. The companion picture will be "Joe and Ethel Turp Call On The President," first of the popular Damon Runyon series to be adapted for the screen.

## FARRINGTON RADIO COMPANY

803 MASS. AVE. ARLINGTON 0305

## By GEORGE S. COBURN, JR.

The 803 Club takes great pleasure in announcing the recent acquisition of a complete stock of Columbia Brunswick and Vocalion records.

Adding these to our stock of Victor, Bluebird and Decca records makes us the most completely stocked Record Store in this section. No longer will there be a need for you to go to Boston in order to assure yourself of getting what you want when you want it. If by chance we don't happen to have just what you want, we can have it for you in less than twenty-four hours.

Our complete stock not only includes the latest popular tunes as recorded by your favorites but also, the latest Columbia Masterworks Albums featuring such artists as, Sir Thomas Beecham, Nelson Eddy, Orson Welles, Walter Glesking and Felix Weingartner; all of RCA Victor's Musical Masterpieces and Decca's colorful album sets, including Johann Strauss Waltzes, Victor Herbert Melodies and many others.

For example, there is the album that Columbia has just released featuring Nelson Eddy singing Four Indian Love Lyrics. It is beautifully bound with several pictures of Nelson Eddy on the cover. It contains four sides, and excellently sung.

Here are this week's reviews of your popular records all of which belong on your "must get" list.

**THE MAN WHO COMES AROUND.** (Vocalion) A novelty tune by Tommy Tucker that is definitely going to catch on. It must be heard to be fully appreciated. Very catchy tune and comical lyrics. It is backed by a very smooth arrangement of HONESTLY.

**SHE HAD TO GO AND LOSE IT AT THE ASTOR.** (Decca). Another novelty hit, this one by Dick Robertson. This tune is bound to go especially so for the story told in the lyrics that builds up to a climax at the end of the record. A reverses. So-so.

**A PHONOGRAPH RECORD.** A PLAYER PIANO AND CARMEN LOMBARDO. (Victor). Here is Alec Templeton's best offering to date for Victor. You'll go crazy over his perfect imitation of the Lombardo band and Carmen. It really is good. On the other side is MENDELSSOHN MOWS 'EM DOWN. Very good piano.

**BILLY** (Vocalion) Orrin Tucker revives this oldie after the sensational success of Oh Johnny. The vocal is done of course, by Bonnie Baker. If you liked Oh Johnny, you'll want to have this one. EVERYBODY LOVES MY BABY reverses. Fine arrangement.

**PINCH ME.** (Columbia) Here is Bonnie Baker's newest offering with Orrin Tucker's orchestra. It's a definite hit done in Bonnie Baker's inimitable style. WOULD JA MIND is the coupling. Smoothly done.

**RIFF INTERLUDE** (Columbia) by Count Basie. It's a Jazz Masterwork; need more be said. Be sure to catch the marvelous tenor by Lester Young. The Count's piano speaks for itself. This record is heartily recommended. I LEFT MY BABY twins. Exceptional.

**LET'S DANCE** (Columbia) Benny Goodman's theme song done in the way you like it. Typical Goodman clarinet. BOY MEETS HORN is the coupling.

**WILLIAM TELL OVERTURE** (Columbia) Matty Malneck, late of Paul Whiteman's band, takes this familiar overture in hand and does a remarkable job. You can even catch a few bars of El Rancho Grande mixed up in it. CARNIVAL OF VENICE reverses. It's just as good.

**THE LITTLE RED FOX** (Vocalion) Here's that new novelty sensation done by a band which is on the way up, Dick Jurgens. Very tricky arrangement. A LITTLE DUTCH GARDEN is the coupling. Also good.

**DRUMMIN' MAN** (Columbia) Some real solid sending by your Drumm'n' Man, Gene Krupa. Another Jazz Masterwork. Good vocal by Irene Davis. I'D LOVE TO CALL YOU MY SWEETHEART is the other tune.

This week's record winners are: John French, 39 Old Mystic street, Jean Bigelow, 7 Pelham terrace, Gordon Lewis, 61 Kensington park.

## Royals Will Play St. Alphonsus Tomorrow

The Arlington Royals will be seen in a basketball game at the Lowe Auditorium Saturday evening after a two weeks' layoff. They will play St. Alphonsus A. S. of Roxbury, which gave a great exhibition last year and will bring a much stronger team to Arlington tomorrow.

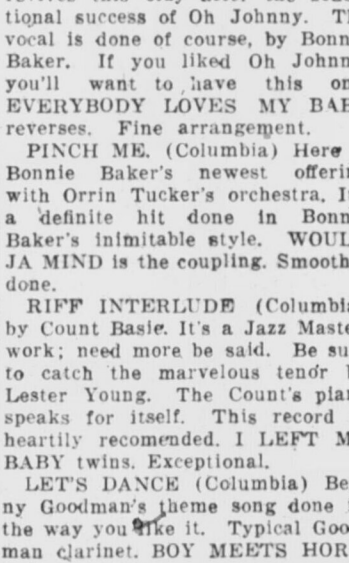

In the first encounter between these two teams, the Royals lost, 35 to 32, and the Royals are out to even the score. A playoff game will be played late in the season.

The Royal Jayvees will meet the McDonald Club of Medford in the preliminary game at 7:30 p. m.

## STORM WINDOWS

FOR

## WINTER CONDITIONING

"Winter Conditioning" does more than merely cut down your fuel bill. It checks cold drafts and prevents fogging on windows. It is essential to satisfactory winter air conditioning with its higher healthful humidity. Cold glass surfaces condense the moisture carried by indoor air and thus cause fog, frost or even dripping water to form on the window panes. We want this moisture. It keeps us in better condition to resist colds and respiratory diseases but we do not want fogging or frost on windows nor water running over our window sills.

"Winter Conditioning" keeps the inner pane of glass comparatively warm even though the outer pane may be as cold as the outdoor air.

## Water Color Exhibit By Miss Daugherty at Robbins Public Library

## Friends of Drama to Present Two Plays As First 1940 Offering

The Friends of the Drama will start the new year next week by presenting two one-act plays on Friday and Saturday evenings, January 12 and 13. Designed to please all taste, the program offers decided contrast with "Ladies in Linen," a clever comedy by Albert Baker and "Guns Can't Think," a tingling melodrama which Parker Wood has adapted for the stage from a Saturday Evening Post story.

In spite of their contrast, the plays have a characteristic in common. Both will be played in very unusual settings. The scene for "Ladies in Linen" is laid in the hot room of a Turkish bath for women, and with two exceptions the ladies of the cast are gowned only in sheets. The Wood play is unusual because it utilizes two distinct sets, one behind the other, the first being a cell in a Texas desert jail and the second the doorway of the Sheriff's adobe home.

"Ladies in Linen," is being directed by Beatrice von Baur. Jenn Whitcomb plays an overweight actress trying to reduce; Gladys Collier is a hard-bitten nurse, just off a case; Ernestine Ware is a debutante recovering from the effects of her debut, Anne Woodridge is a newspaper woman looking for a human interest story; Esther Knight is a homesick bride, who has run away from her husband; and Mildred Anderson is the colored attendant.

Among the citations which comprise the Lesson Sermon is the following from the Bible: "Bless the Lord, O my soul: and all that is within me, bless his Holy name. Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases" (Psalms 103:1-3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To ignore God as of little use in sickness is a mistake. Instead of thrusting Him aside in times of bodily trouble, and waiting for the hour of strength in which to acknowledge Him, we should learn that He can do all things for us in sickness as in health" (p. 169).
